2010 Camp Counselor Application - Confidential

Counselor Name: _____

Answering "yes" to the following questions will not necessarily disqualify you for camp work. A pastor may talk with you in private. However, to see whether you need pastoral assistance regarding the matter and to learn whether that issue has a bearing on your ability to work with youth, please complete the following.

1. Many people have experienced abuse at the hands of others. Most of these people abhor such behavior and are especially alert and sensitive to the need to provide a safe and caring environment for children. At the same time, residual effects may remain in some people's lives, including a hesitancy to report suspected child abuse. In order to learn whether you have had such an experience and may need pastoral assistance in dealing with any after effects, we need to ask whether you were ever abused or molested while a minor. No Yes (explain)

2. Have you ever been convicted of or pleaded guilty to a crime (other than a minor traffic violation)? No Yes (explain)

3. * Have you deliberately and repeatedly viewed pornography in the past three years? (This includes reading, watching, listening to, or in any other way using pornographic material, including books, magazines, TV, movies, internet, or telephone services.) No Yes (explain)

4. Have you ever touched a child in a sexual manner? (Do not include child-to-child contact that occurred more than 10 years ago) No Yes (explain)

5. * I hereby certify that the information that I have given on the front and back of this form is true. I also certify that I have read and agree to abide by the counselor guidelines packet given to me.
