Don't Miss B.P. Camp 2019!!

BP Camp is a unique approach to Christian Camping. At BP Camp we approach ministry to our campers after the direction of Deuteronomy 6 & Titus 2. In these passages parents and church families are commanded to love God and His Word and diligently teach God's Word to our children, making the most of every opportunity.

For more than 40 years, Pastors, Elders and members of churches in the Great Lakes Presbytery have been pouring themselves and God's Word into the young people in our churches as well as the friends they bring to camp. This means campers are counseled, taught and led by parents, Pastors and older believers who love them and will have ongoing relationships with campers and their families long after the week of camp.

Camp gives children a variety of formal and informal opportunities to take hold of God's Word and apply it immediately to their lives at camp and when they return home.
